Connect deeply, tread lightly and discover our place of plenty.

WELCOME

2023 ACADEMY SUPER 24 SERIES

SECOND ANNUAL EVENT SHOWCASING NSW BEST TALENT!

QBE Sydney Swans Academy (as hosts) welcome you to Coffs Harbour for the Swans and Giants Academy Super 24 Series.

Collectively we acknowledge the traditional owners of the land on which we gather and compete, the Gumbaynggirr people, and pay our respects to the elders past, present & emerging.

C.ex Coffs International Stadium and Coffs Harbour City Council provide young players from across New South Wales and the ACT a unique experience up against the best players in the State within the Academies.

We would like to extend our gratitude to all the players, coaches, families, and supporters who have come together to make this event possible. Your enthusiasm and dedication are the driving force behind the Super 24 Series.

Throughout the Super 24 Series, we encourage everyone to embrace the spirit of sportsmanship, camaraderie and fair play. Let's celebrate the talent on display and the friendships forged on and off the field.

We wish all the participating teams the best of luck, and may this Series be a stepping stone toward even greater achievements in the world of Australian Rules Football.

Acknowledgement and sincere thanks is extended to the Coffs Harbour community and the Coffs Harbour City Council for their generous support.

A special thanks to QBE for their continued support of the Sydney Swans Academy and ongoing commitment to providing young footballers an opportunity to excel.

Thank you for being a part of this incredible journey, and let's make the second annual Super 24 Series an event to remember.

Academies

QBE Sydney Swans Academy

On behalf of the QBE Sydney Swans Academy, we welcome all players, coaches, and families to the Coffs Harbour Super 24 event. We are delighted to be hosting this event and extend our welcome to the GIANTS Academy players, coaches, and families.

The three-day event will see squads from both organisations representing Under 13, Under 14, and Under 15 age groups both male and female. And each squad of 24 players will play each other twice over a three-day period.

Our squads have been preparing through Academy Cup matches on Wednesday nights throughout the year. From these games we were then able to select 24 players for each age group which was a very tough selection process. Once selected each squad had some real quality training sessions over a period of two weeks and really look forward to putting that into play in the next three days in Coffs Harbour.

This is possible because of the incredible amount of work, dedication and effort from our coaches and staff that our players get these fantastic opportunities to play these games. The countless hours put in to help our young Academy players chase their dream and become the best players they can be is absolutely first class.

On behalf of the QBE Sydney Swans Academy, I would like to wish everyone all the best over the next three days and look forward to seeing some great football being played by both sides. And finally, a big thank you to all the parents from both Academies for your outstanding commitment throughout 2023 and no doubt this is not possible without you.

Leon Cameron
Academy Talent Director

Academies

GWS GIANTS ACADEMY

The GIANTS Academy congratulate and welcome all players, coaches, parents and families to the 2023 Super 24 Carnival. We're thrilled to be in Coffs Harbour as guests of the Sydney Swans Academy and look forward to a great week of football.

The GIANTS acknowledge the traditional owners of the land on which we gather and compete, the Gumbaynggirr people, and pay our respects to the elders past, present and emerging.

Our Under 13, Under 14 and Under 15 squads have prepared for the Super 24 with a series of Regional Challenge matches throughout the year in conjunction with their weekly regional training sessions, education and testing across the GIANTS Academy zone. Selection of squads for Super 24 has been a tough process due to the high levels of talents spread across our Academy zone. We look forward to the challenge against the Swans Academy.

The GIANTS Academy program develops over 1000 male and female players annually across the 12-18 year old age group with more than 75 coaches and staff at Regional Centres of Excellence in Western Sydney, Canberra, Wagga Wagga, Broken Hill, Leeton, Batemans Bay, Nowra, Bermagui and Orange, as well as our NGA zone in Albury, Tocumwal, Deniliquin and Moama.

It is through an incredible amount of dedication and effort from players, parents, coaches and staff that our Academy boys and girls get these wonderful opportunities to develop and grow as not only footballers but young men and women. We thank all those involved currently within our network and those who have contributed immensely in the past for your time, efforts and expertise in helping grow the incredible GIANTS family. Great thanks and acknowledgment must also go to AFL NSW/ACT for the support they provide our own Academy Program.

We wish all competing players and staff the best success through the series and are very excited to be once again competing at the Super 24 Carnival.

Jason Saddington
