

INTERCHANGE AGREEMENT
AFL HUNTER CENTRAL COAST AND AFL SYDNEY

An agreement between AFL Sydney and AFL Hunter Central Coast for the movement of players between leagues.

1.0 Area Agreement

1.1 This agreement is signed pursuant to the AFL NSW/ACT Regulations & By-Laws and the National Player Transfer Regulations clause 5.5 – Interchange Agreements.

2.0 Administrative Processes

2.1 That this agreement is in force from 2020 and will remain in place until such time as advised otherwise by the respective Competition Managers of the participating Leagues. Copies of the Interchange Agreement to be located on relevant Leagues websites.

2.2 That clubs will use a 'Local Interchange' permit on the SportsTG system to lodge the player permits.

2.3 That the players involved desire to play with the club in the other League on the day in question.

2.4 That the Clubs involved are agreeable to the players playing on the day in question.

2.5 Players can only be registered with one club to utilise the permit system.

2.6 That this agreement is developed in good faith to provide talented players from regional areas with some additional development opportunities and not to improve team performance.

3.0 Local Conditions

3.1 The permit of all players under this By-Law must be approved by the Football Operations Manager of both Leagues (through approval on SportsTG).

3.2 A Senior player is only permitted to play with one club on any weekend or round.

3.3 A player may only be granted a permit to one (1) AFL Sydney / AFL Hunter Central Coast Club per season.

3.4 Clubs are only able to have a maximum of two (2) permit players per round.

3.5 Permission may be granted for more than two (2) players to permit per round under exceptional circumstances, as agreed to by both leagues.

3.6 Permits are only eligible whilst both leagues are still playing home and away matches (for clarity, if one league has commenced finals and the other is still playing home and away matches, permits are not allowable).

3.7 In the event of a full round bye or an individual team bye in the AFL Sydney or AFL Hunter Central Coast competition, no new permits will be issued for players to play in the other league for the bye round unless approved by both leagues under exceptional circumstances.

3.8 Games played on permit do not count towards finals eligibility with either club unless the player is permanently transferred to the interchange club.

4.0 Reported Players

4.1 A player playing on a permit that is reported shall face the Tribunal of the League of which the reportable offence was committed.

4.2 Any penalty that is imposed by the tribunal shall apply in all competitions.

5.0 Authorisation

This Agreement shall remain valid until such a time as either League or AFL NSW/ACT dissolves the Agreement.

Changes may be made to this Agreement with advice to be provided to each League at the time of the change taking place.
